MEMORANDUM FOR [redacted]

25X1

East Asia Division, China Operations for
Africa and Near East

FROM: [redacted]

25X1

Deputy Director of Training and Education

SUBJECT: [redacted]

Intercultural Training/Possible Assignment to OTE

1. I regret the delay in responding to the queries you raised at our meeting on 31 May 1982.

2. We have reviewed in some detail your thoughts on intercultural training and the possibility that OTE would expand this training in the months ahead. OTE does not have any plans to appreciably expand intercultural training beyond what OTE is presently doing. Recently, we were invited by USICA to send additional students to its course. Resource constraints simply make it impossible for us to duplicate courses now offered by USICA and the Foreign Service Institute.

3. I also obtained your personnel file from EA Division for the purpose of determining if a suitable assignment could be identified for you in OTE. I regret to inform you that we are unable to accommodate you in an appropriate assignment at this time.

4. Attached herewith is the USICA material you asked us to review.
